Narrative

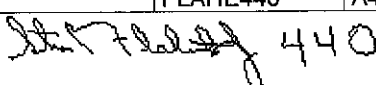

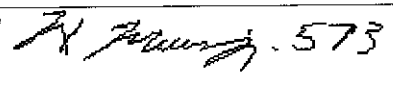

Dispatched to 2 Blake Street for a suspicious white male hiding in the rear yard complaint.

The complainant, Kim Sullivan stated that when she returned home this morning, she saw a large male in her back yard that she did not recognize, and upon entering her rear yard, this same male ran from the property which caused her concern to call the police.

Upon this officers arrival, this officer located the male the complainant described, and he was identified as Michael Andrews. Mr. Andrews was brought back to the residence of the complainant, and Mrs. Sullivan stated that she knows Michael and he is living with her mom on Altyre Street, but she does not know why he ran away from her and caused this disturbance. Michael stated that he came over to Kims house to speak with her, but when he realized that he scared her by standing in the rear yard, he fled to avoid an argument.

Mrs. Sullivan then stated that she did not wish to press charges and wishes to withdraw her complaint. I advised her that this report would be filed, but at this time no further investigation would be completed.
