NARRATIVE

Officers Narrative: Describe any unusual circumstances associated with the crash, including officer's observations.

Refer to each by motor vehicle number and/or non-motorist number

On 4/24/2019, I Officer Sanchez was dispatched to a motor vehicle accident in the area of 524 Hamilton Avenue by the entrance to the commuter lot with possible injuries at around 2117hrs.

Upon arrival, I spoke with Op#2 who stated that she was traveling southbound on Hamilton Avenue. Op#2 then said that she was traveling on the right hand lane and she observed TU1 which was also traveling southbound but on the left hand lane.

Op#2 stated that as she approached the entrance to the commuter lot, TU1 took a quick right turn from the left lane to go into the commuter lot and at this time Op#2 applied on her brakes but was not able to avoid the collision.

Op#1 stated that she was traveling southbound on Hamilton Avenue.

Op#1 then stated that she began to slow down to try to get into the commuter lot and did not see TU2 as she was making the turn traveling southbound on the right hand lane and at this time contact was made between TU2's front end and TU1's rear passenger quarter panel.

Ambulance personnel were on scene and evaluated both Op#1 and Op#2 and TU1's passenger.
All parties did not require to be transported to the Hospital.

Op#2 complained of back and neck pain and will get checked out at a later time.

Due to the facts of this accident and damages on both vehicles, I found TU1 in violation of improper
turning (CT 14-241) and Op#1 was given a verbal warning for it.
