Narrative

On 11/6/13 at 1230hrs. I received a complaint of larceny. I spoke to the complainant, Kimberly Sullivan (3/22/68) who approached me while on routine patrol.

Sullivan stated on Thursday October 24th she ordered a black Sony Camcorder with it's SIMM card for \$285.00 from Fingerhut and it was delivered to her home located at 2 Blake Street and left on her porch on Wednesday October 30th at 1508hrs. according to package tracking .Sullivan stated she left her house for only "twenty minutes" arriving home at 1520hrs. and did not find her package. Sullivan stated she did not see the incident occur and does not suspect anyone to be involved. Sullivan was unable to provide a model or serial number for the camcorder and I told her if she is able to provide this information, to follow up with the Detective Bureau and that a report of this incident will be made, with a copy to be forwarded to the Detective Bureau.

*****Forward to Detective Bureau*****
